Being able to communicate effectively is the most important of all the life skills. The art of communication involves listening and speaking as well as reading and writing. Good communicators make excellent teachers because they are able to transmit knowledge, skills and values at the same time they communicate with their students. This facilitates the teaching - learning process. This workshop aims to explore various methods of teaching and to understand experiences in the development of communication skills for effective teaching.

The Workshop will focus on the following areas:

- ❖ What is Communication?
- ❖ How can one make effective verbal and visual presentations?
- ❖ How does one communicate graphically?
- ❖ Developing a design vocabulary.
- ❖ How to document and make reports.
- ❖ Critique vs Criticism- the difference
- ❖ Developing Opinions and Viewpoints.
- ❖ Classroom Management
- ❖ Effective Team Building and Heading
- ❖ Motivating students
- ❖ Building a positive body language and voice modulation.
