Sub : Extension of last date for admission to B.Arch. course at architectural institutions in the State of Tamil Nadu for academic session 2022-2023 - regarding.

Dear Sir/Madam,

I have to inform you that the Council of Architecture is in the process of according approvals/conducting inspections for grant of approval to the institutions in the State of Tamil Nadu and due to this, many institutions are not able to adhere to the dates of admission process and counseling as scheduled by Directorate of Technical Education, Govt. of Tamil Nadu, Chennai.

While the Council is expediting the approval process of the institutions at its end, it is hereby requested that the last date for institution to apply for seats to the admission authorities in your state for making admission for B.Arch./M.Arch. course be extended **till September 7, 2022**, as a special case, so that the institutions and the students do not face any hardships for admissions in the said course.

In view of the above, you are requested to initiate necessary action at your end and also communicate the same to institutions and other appropriate authorities in your state so that admission to the Architecture courses can be processed smoothly for the academic session 2022-2023.

Yours faithfully,

R.K.Oberoi
