### PRESS RELEASE

### ANNOUNCEMENT OF NATA 2018 EXAMINATION RESULTS

The Office of the Council is in receipt of requests from some students regarding re-evaluation of their drawing papers.

In this regard, it is informed that NATA Examination was conducted online. The Council, in NATA-2018 Brochure, had mentioned that no request will be entertained to re-evaluate the answer sheets from students.

However, based on requests from the students, the competent authority of the Council has decided to allow the candidates to file review of scores awarded to them with a view to ensure that no meritorious or deserving candidate is put to any inconvenience or deprived of justice due to technical glitches, if any.

Accordingly, interested candidates may apply for review of their scores of drawing papers by paying fees of Rs.750/-. The Process for the same shall be informed shortly on CoA & NATA Website.
