

Council of Architecture

National Award for Excellence in Under Graduate
and Post Graduate Thesis

August 03,2018

The Council of Architecture is pleased to announce the National Competition for award of Excellence in Architectural Thesis-2018 in both Under Graduate and Post Graduate courses in Architecture. The winners will be decided on the basis of evaluation of the thesis submitted by the students of Architecture in compliance to the requirements of Bachelor as well as Master degree program.

These awards have been instituted with an objective of encouraging interest and talent of the students of Architecture and motivate them to excel in the profession.
